Research Assistant, CUHK ECONOMICS DEPARTMENT

Jan 2016 - Apr 2016

- In order to assist my supervisor in the research on ageing population on Asia Pacific, I have the chance to put my knowledge in both Economics and Programming into practice.
- I filmed a promotion video to introduce the project to students. It received very positive feedback on social media. The experiences strengthened my confidence and cognitive skills.

Debate Team Coach, YING WA COLLEGE

Sept 2014 - Apr 2016

- Coaching is more than preparation for a debate. I have learnt that team-building and allocation of work are an art of management.
- By devising and executing training plans for the school debate team, the team and I won trophies in major debate competitions.

EXTRA-CURRICULAR ACTIVITIES

Captain, UNIVERSITY DEBATE TEAM, THE CHINESE UNIVERSITY OF HONG KONG

Sept 2013 - Sept 2016

- Debate has trained me to be a quick learner as every debater must work on a motion in short time.
- Creativity, critical thinking, spontaneous response, thinking out of the box and leadership are the gemstones I get from my 10-year debating experience from high-school to university.

Welfare Officer, ECONOMICS SOCIETY, THE CHINESE UNIVERSITY OF HONG KONG

Sept 2013 - Dec 2016

- I was the person in charge of several projects, Annual Dinner, Summer Camp and Graduation Photo Day for over 200 members. I gained experiences in organizing large events.
- The most important lesson was division of labor, good communications skills.
